Présentation de l'éditeur

Appearing in several of H.P. Lovecraft's works, kraken-like monster Cthulhu is an iconic figure that has fed imagination and terrified generations. Its name has come to define the whole mythos built up around Lovecraft's strange worlds and pantheon of monsters that continue to inspire many writers. Featuring the fantastic work of talented artists, this calendar displays a fascinating mix of weird and wonderful depictions of this notorious monster that lurks beneath the deep. The datepad features previous and next month's views.
