Decoy Decibo Weedless Jigheads

Decoy Violence Jigheads - VJ-36 are designed to rig a soft bait 'weedless' and therefore fish in areas where you may struggle with a standard jig, effectively it fishes like a Texas rig with the weight fixed in position! The hook has a curved point that sits flush with the back of a plastic lure to maximise weedless potential whilst still ensuring excellent hook up ratios.

- Effective with a wide range of soft plastics
- Super sharp point
- Micro Barb
- Excellent weedless presentation
