Review

a dynamic, exciting, and thought-provoking work (Notes and Queries)

it is bound in general to have considerable impact on our thinking about *Hamlet* (the text and the play) and deserves wide attention (*Notes and Queries*)

level-headed, perspicuous treatment of the textual problems...It may be commended to students...Of the three recent *Hamlets*, this edition is the one I shall require students to buy. (*T. H. Howard-Hill, Review English Studies*) About the Author
